

STRATEGIC PLANNING COMPLETED IN 2020

Objectives, Actions, and Outputs

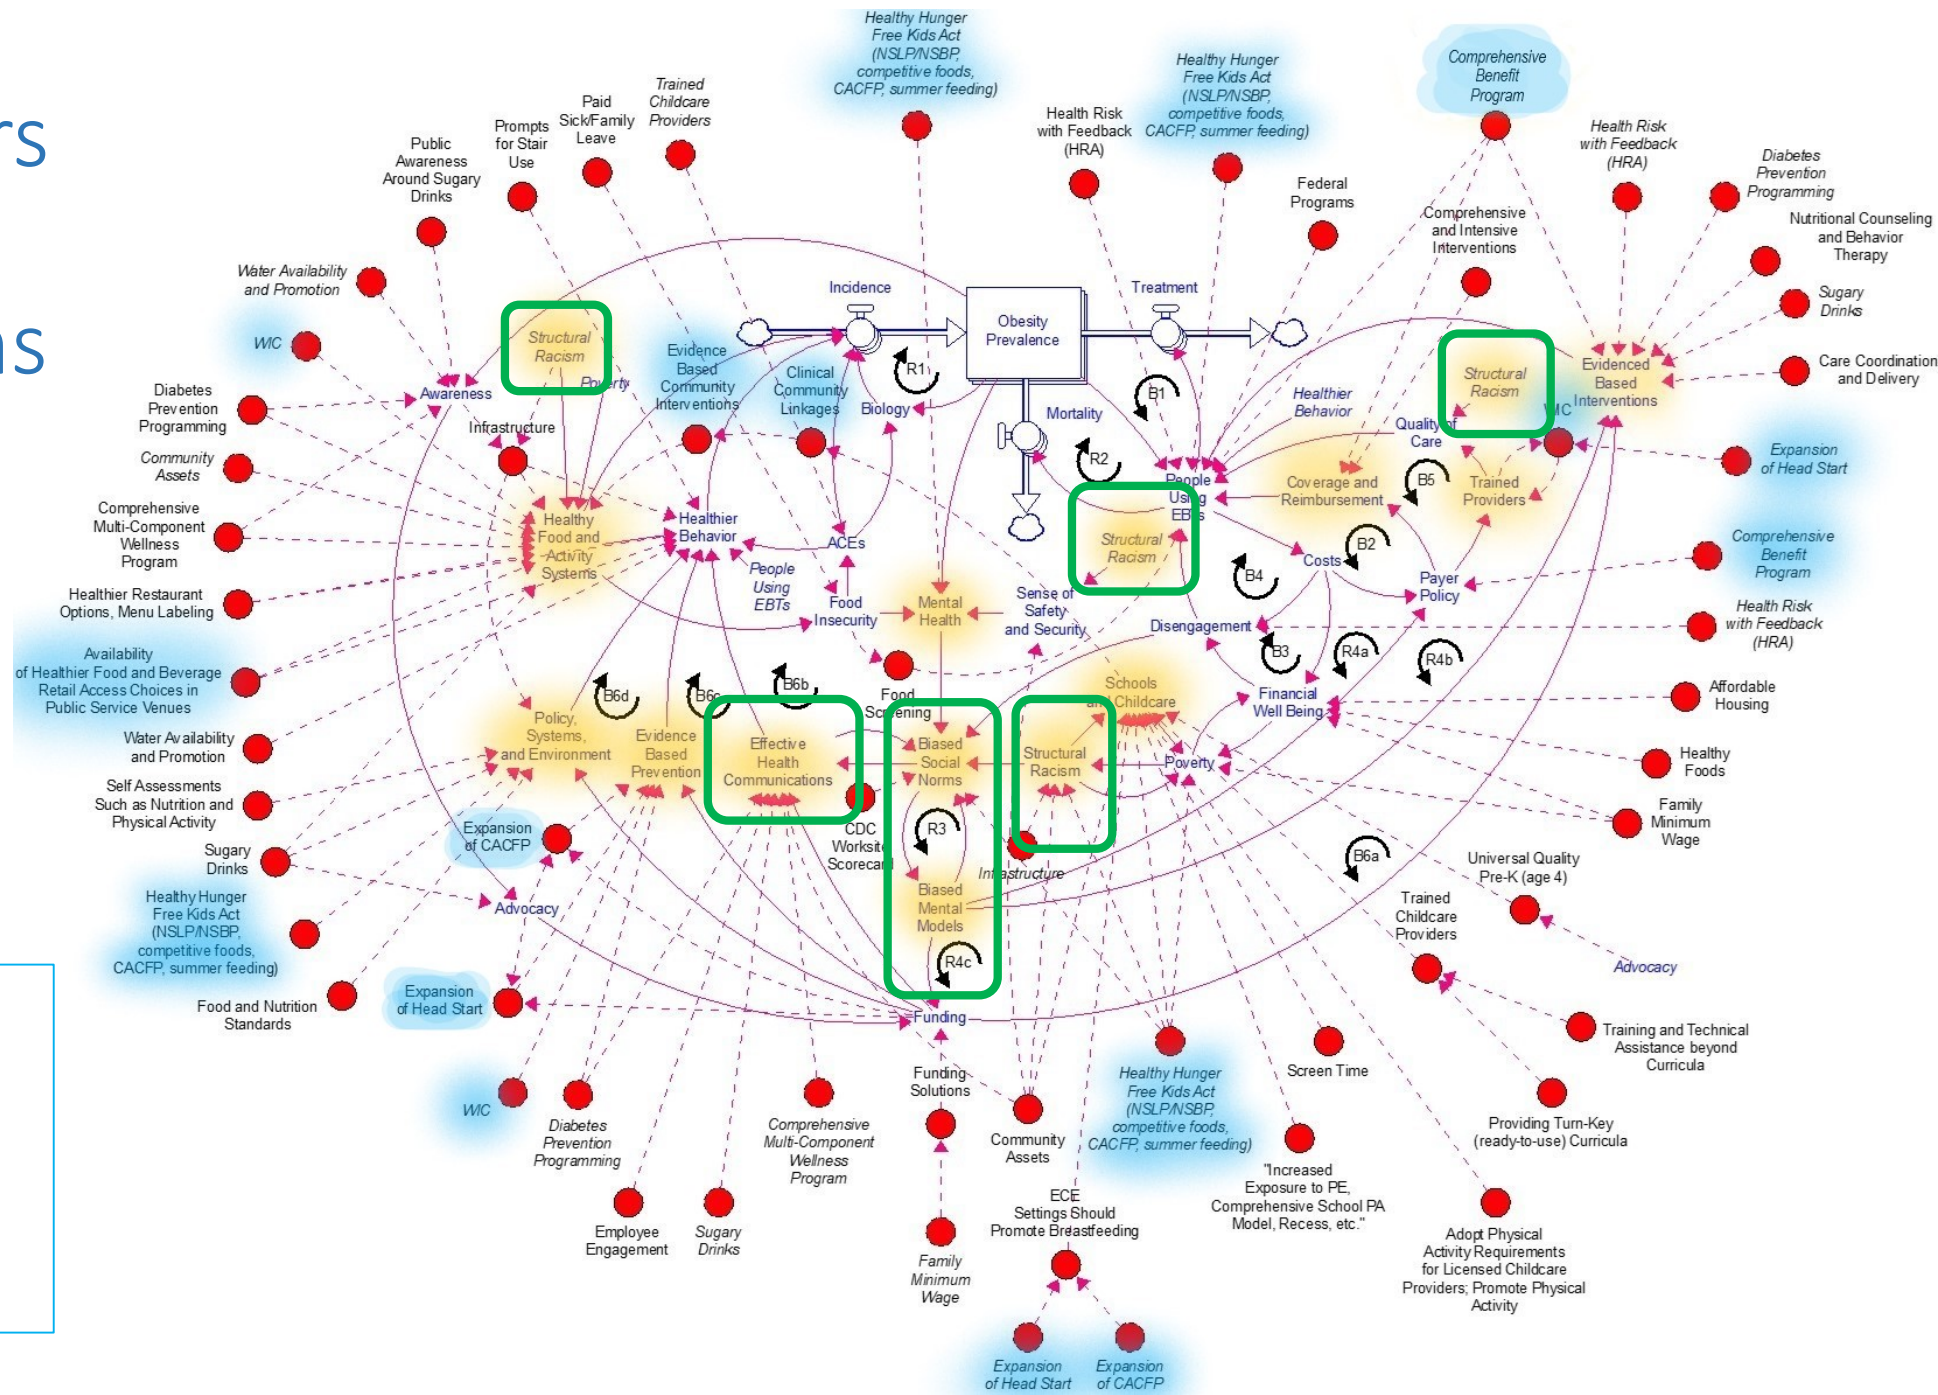

- Held group model building exercises
- Held member webinars to gather input/feedback
- Disseminated new ideas and systems perspectives and applications to shift mental models through meetings, workshops, and publications (reaching an audience of 1000+)
- Developed system map
- Coalesced around a roadmap for action toward obesity solutions, including identification of 3 priority areas:
 - 1. structural racism/social justice**
 - 2. biased mental models/stigma**
 - 3. effective health communications**

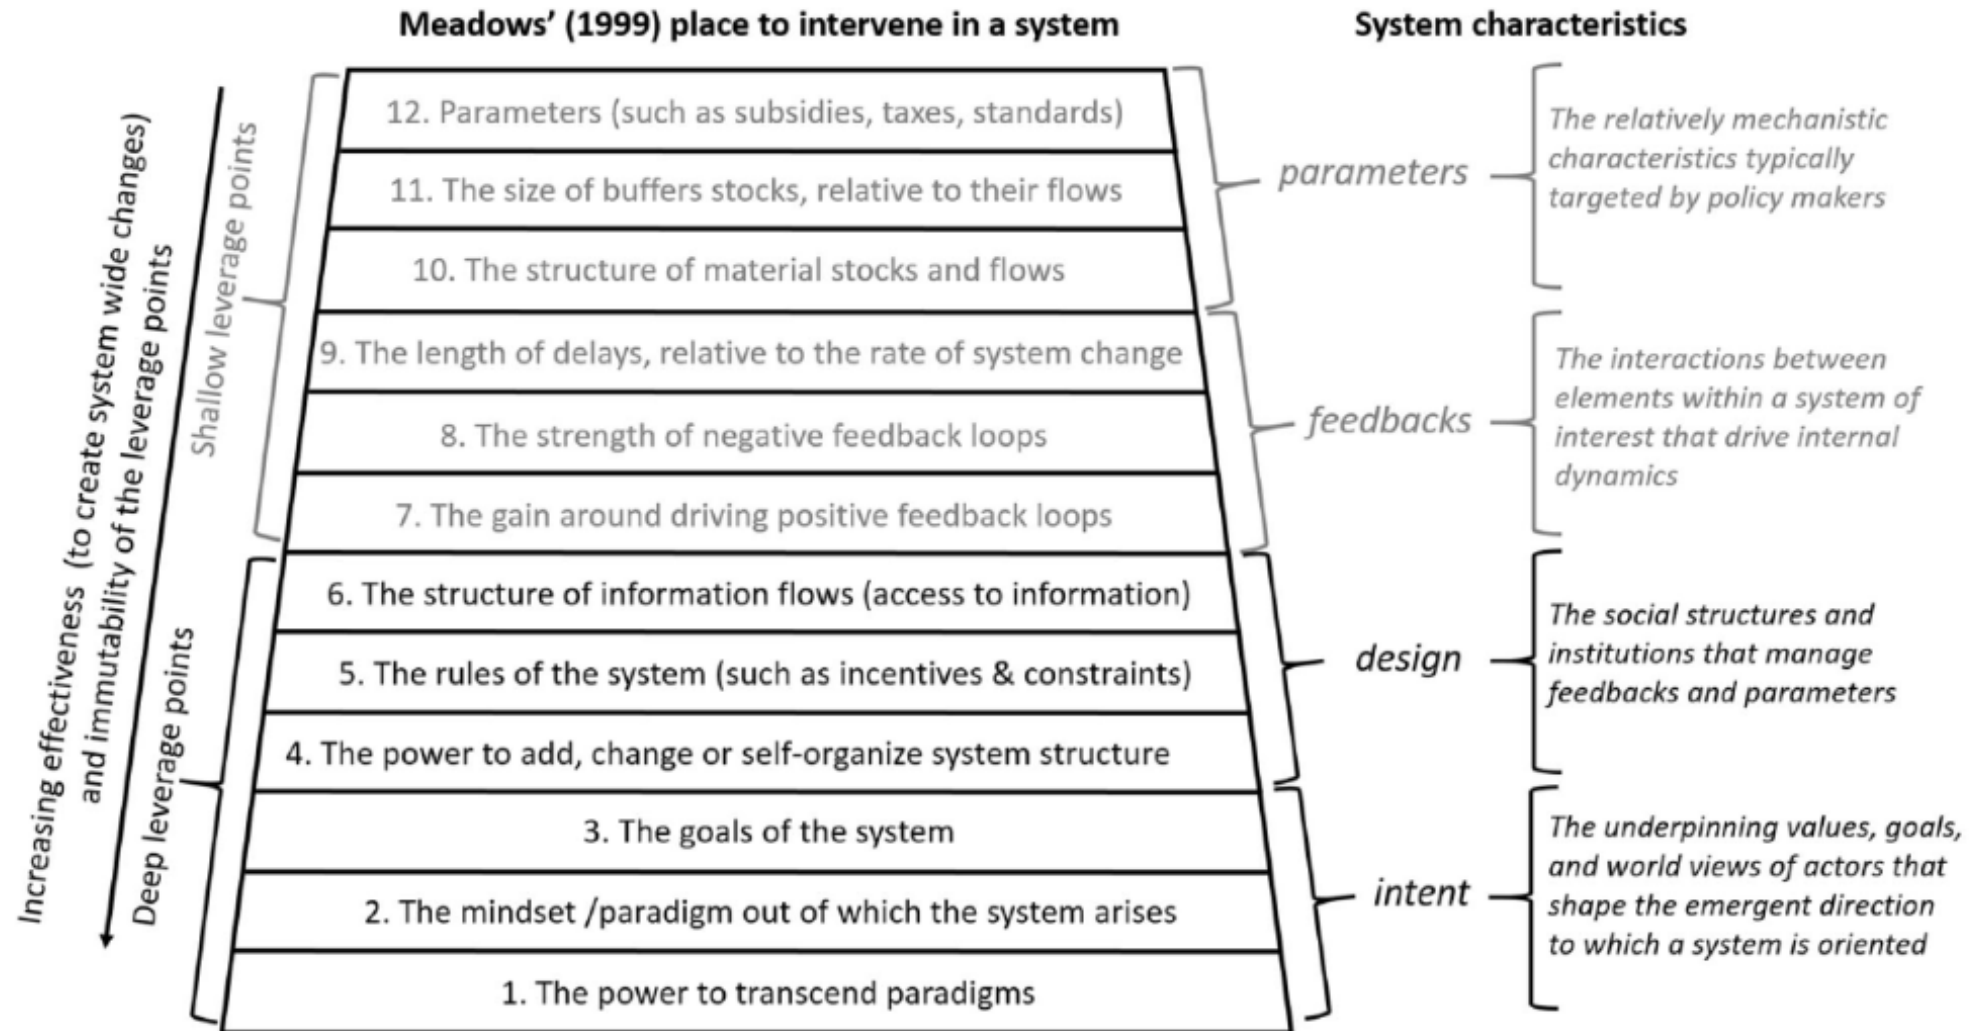

*Member priorities highlighted

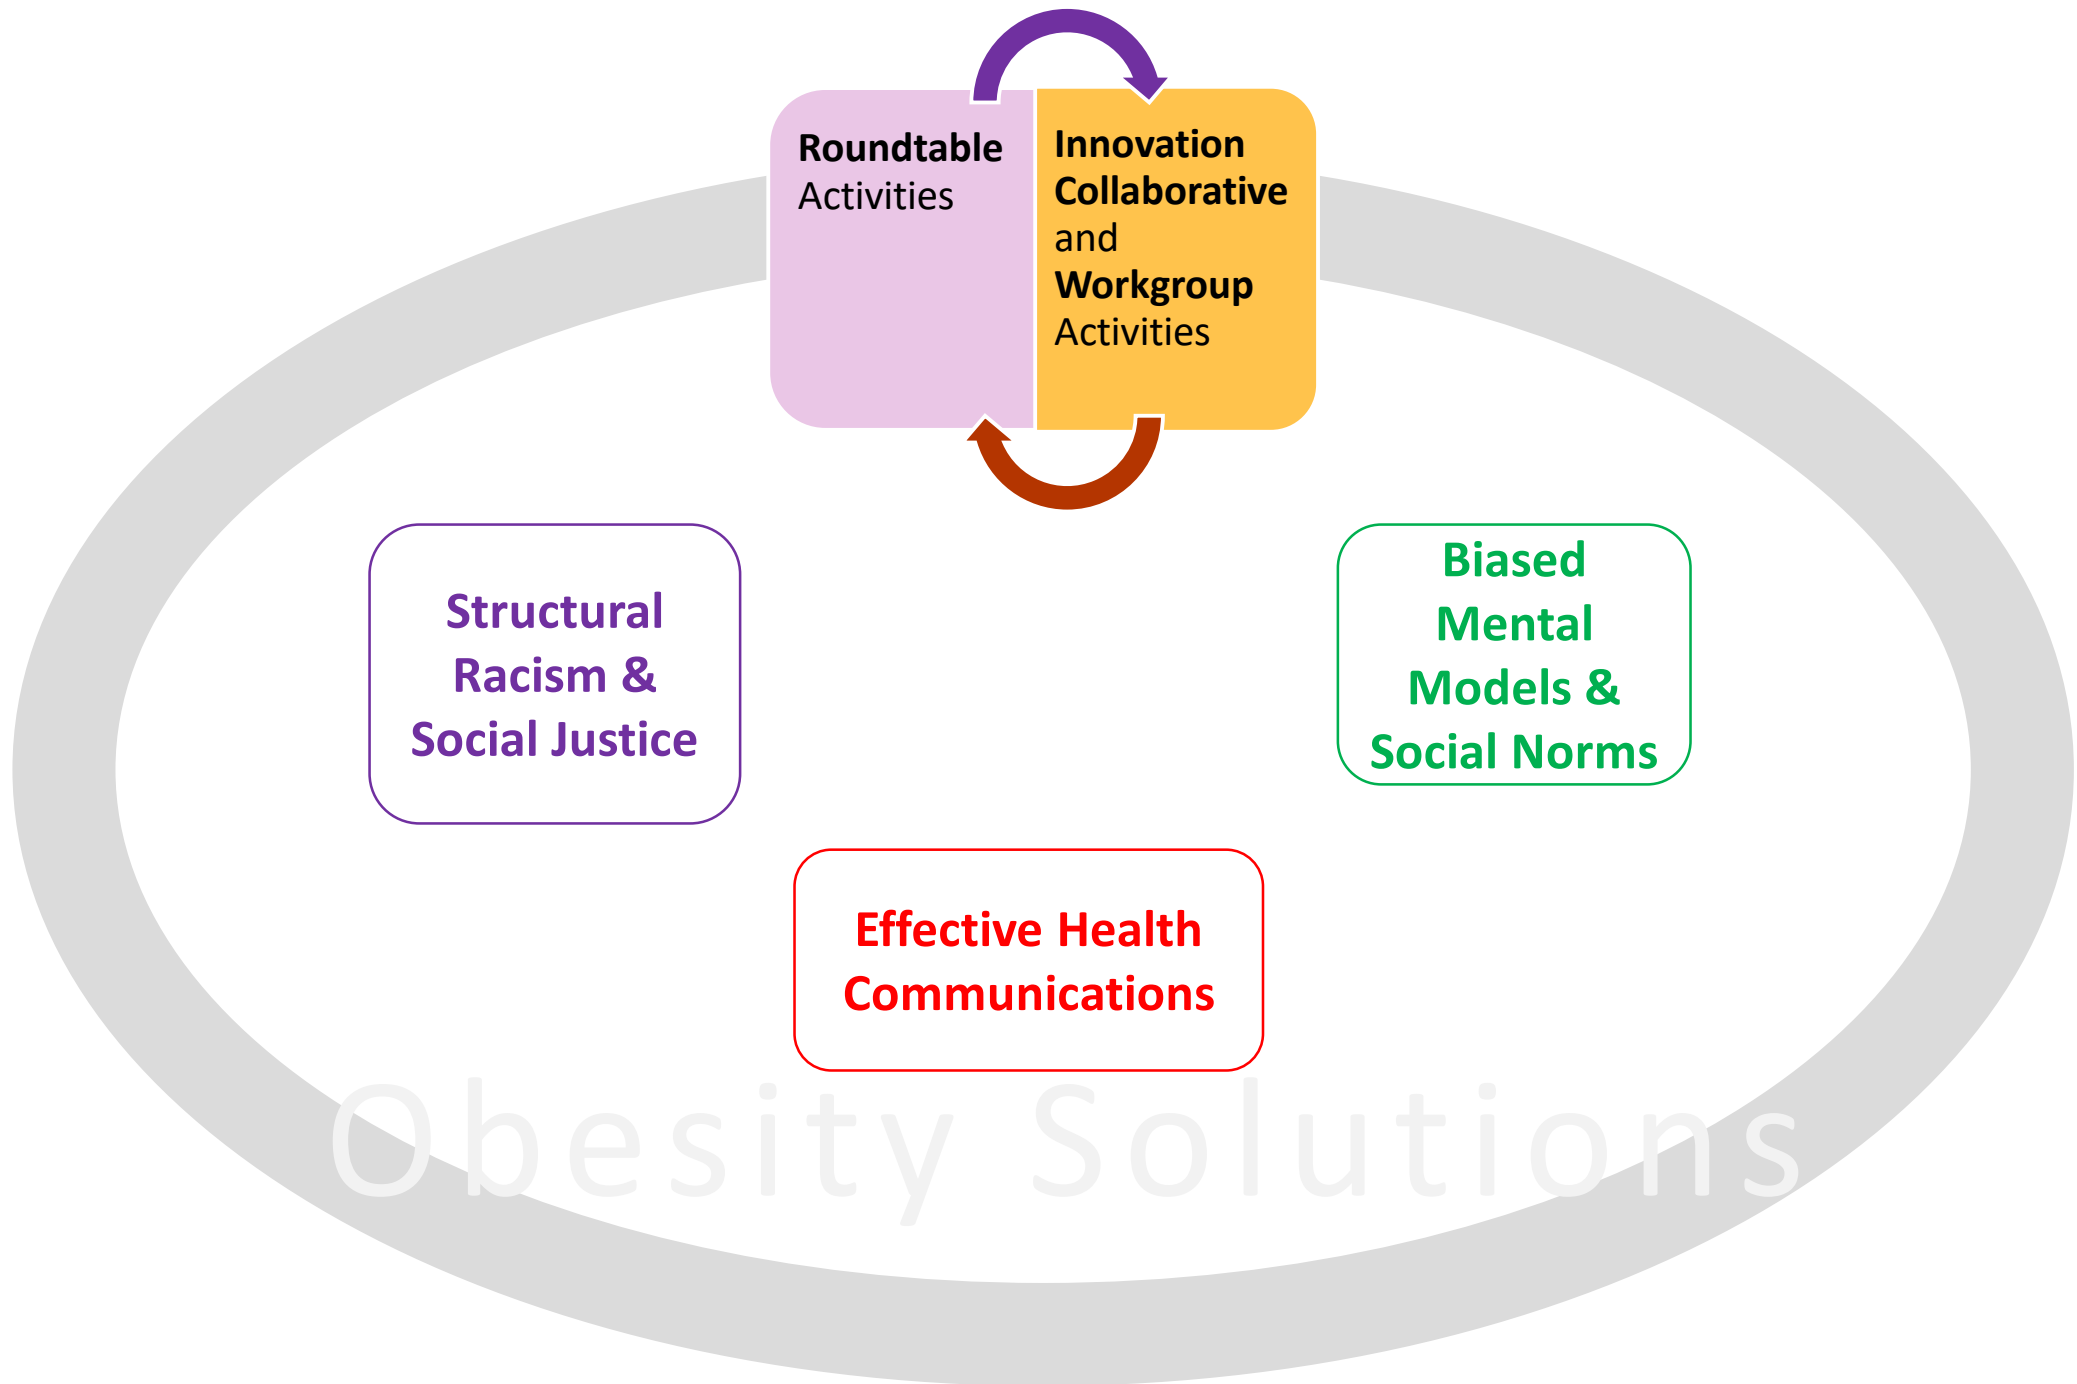

● - Roundtable priority obesity driver

● - Roundtable priority evidence-based obesity solution

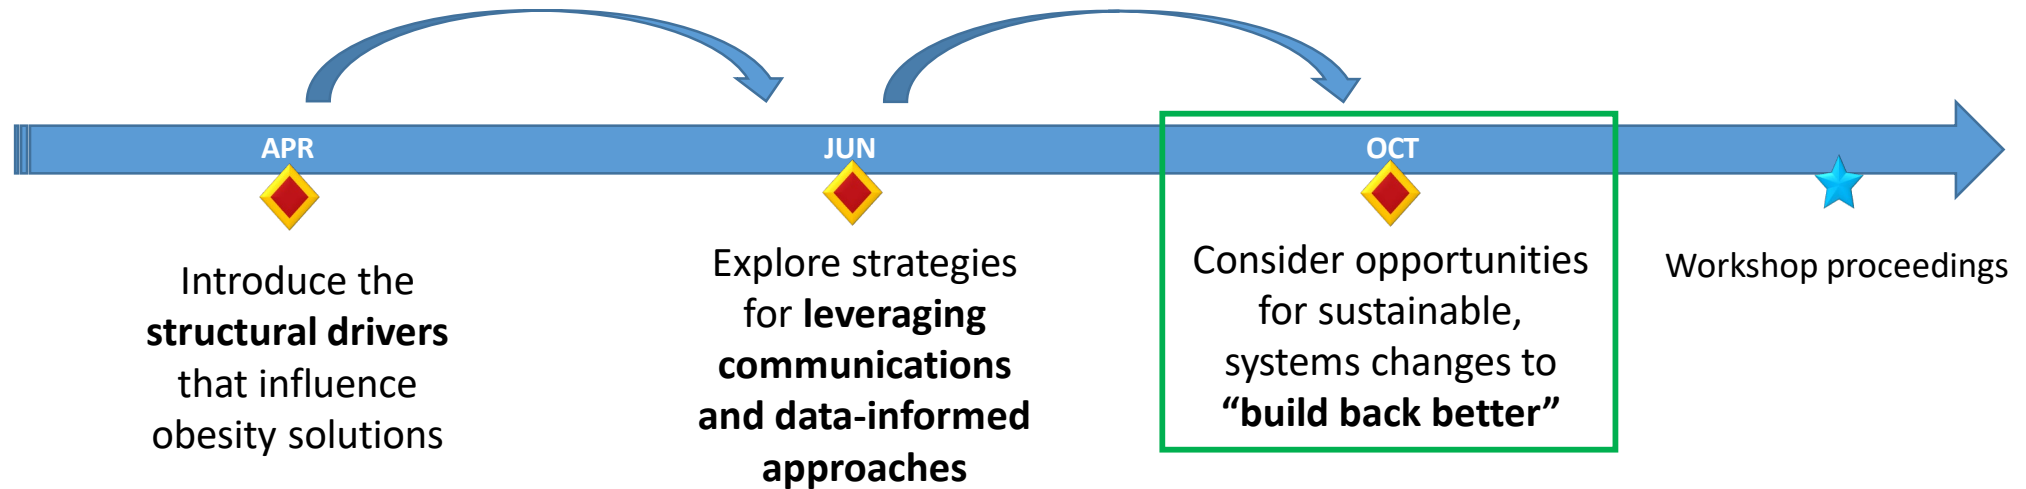

MEADOW'S FRAMEWORK

2021 ROUNDTABLE WORKSHOP SERIES

Goal: To explore data-driven solutions and innovative approaches that leverage the relationships between the three priority areas as drivers of obesity, as well as identify systems change applications and actions for the future.
