### OPEN SESSION

#### Purpose

The congressionally mandated Committee on Sexual Assault at Sea will hold a public information gathering session: Sexual assault prevention and response: Insights from existing models.

In this public session, the committee will invite expert perspectives to share models of implementation for preventing and responding to sexual assault, including training. Topics of discussion may include results from program implementation, challenges and opportunities to implementation, lessons learned, and insights that might be applicable to other contexts.

#### Agenda

3:00pm Speaker presentations

3:45pm Committee questions and discussion
